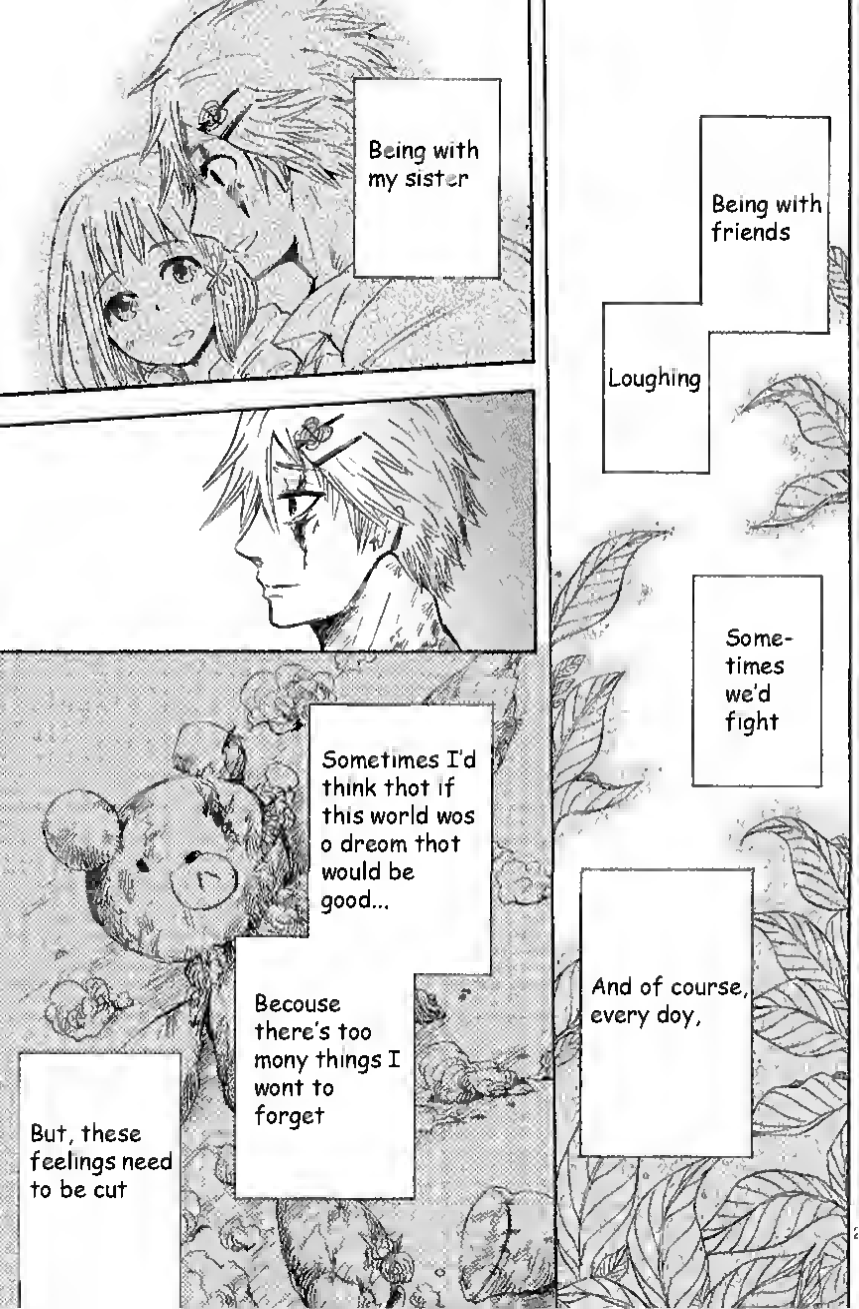
That this is a dream

These days surely would have continued just like this
If none of those things ever happened
Might have been reality
But this dream



Being with my sister
Being with friends
Loughing
Some-times we'd fight
Sometimes I'd think thot if this world wos o dreom thot would be good...
Becouse there's too mony things I wont to forget
But, these feelings need to be cut
And of course, every doy,

So this dream can continue for eternity

Well, well
You ran as you could over here but,
